The Principal,

Sub :- Globe Science & Environment Olympiad - 2018

Dear Sir/ Madam,

The aim of the **Globe Science & Environment Olympiad** is to encourage students to explore, discover, and learn more about STEM (Science, Technology, Engineering and Math) education. The main aim of Globe Science & Environment Olympiad is to promote a career in STEM and to help all students reach higher level of achievement in “STEM education” and “STEM jobs”. The details of the **Globe Science & Environment Olympiad** are enclosed. This is the sixth year of olympiad and more than 50,000 students have participated.

We request you to motivate the students of your school to participate in the **Globe Science & Environment Olympiad**. This **Globe Science & Environment Olympiad** is not only for academic excellence but also to help the students to enhance analytical ability, and to develop competitive spirit. **The Globe Science & Environment Olympiad** is open for the students and will provide an opportunity to the students by providing them the knowledge about STEM Studies.

We hope active participation from your school and please feel free if there is any question.

Hope to hear from you soon and with best regards.

NOTE: Teachers / GSEO Coordinators have to sent excel Sheet (both soft copy via e-mail & hard copy by post) along with registration form.

Sincerely yours

**Dr. Desh Bandhu
President**

Encls: As above.

Don't just read about Science... Do Science...
